## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Missouri Ethics Commission** assume that this proposal prohibits a member of the general assembly from receiving compensation by any federal political committee or any committee defined in section 130.011 for goods or services rendered would require the following additional resources:

One Investigator II to provide the necessary oversight and investigations pursuant to Chapter 105 RSMo. The Commission would anticipate that changes or additions to the proposed language set forth in this bill may require additional associated costs for FTE, equipment, and expenses.

Officials at the **Missouri House of Representatives** and the **Missouri Senate** assume that there is no fiscal impact from this proposal.

**Oversight** assumes MEC would not need to increase its existing staff unless it can show in future budget requests, an identifiable increase in the number of investigations initiated by the Commission for the enforcement of this provision.

<u>FISCAL IMPACT - State Government</u>	FY 2011 (10 Mo.)	FY 2012	FY 2013

<u>FISCAL IMPACT - Local Government</u>	FY 2011 (10 Mo.)	FY 2012	FY 2013

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

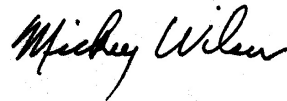

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
